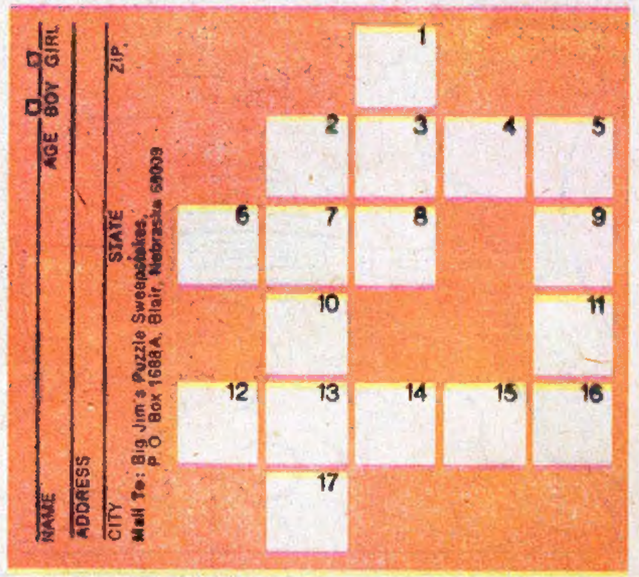
WIN

You can win $100 worth of *Big Jim* toys in the fabulous new *Big Jim* Puzzle Sweepstakes.

Here's how:

1. On the opposite page are pictures of Big Jim's equipment and accessories. Along with the picture is a sentence or two telling you about the toy. But there's a word missing from the sentence.
2. Figure out the missing words, then put them in their proper spaces in the crossword puzzle below. When you've finished the puzzle, send it with the completed entry blank showing your name, address and zip code. The winning name will be drawn at random by Mattel from a bin containing all the correct entries. It's exciting. It's easy. It's almost as much fun as playing with Big Jim and his great new gear. So hurry and enter now!



Mattel's decision will be final and will be made within thirty days after the sweepstakes closing date. The odds of winning will be determined by the number of correct entries received. Liability for taxes is the sole responsibility of the winner. Sweepstakes void in Idaho, Missouri, Washington, and Georgia, and wherever else prohibited or restricted by law.

Enter as often as you wish, but each entry must be mailed in a separate envelope, postmarked by January 31, 1975, and received by February 15, 1975. No substitutions for prizes. The winner will be notified by registered mail.

MIGHTY MARVEL BECOMES ELECTRIFIED, HYBORIANIZED, AND APE-IFIED!

Well, we did it! It seems that every month something happens here at Marvel which is even more exciting than the month before. Remember how we've been telling you over the years that comics can be — and indeed are — educational in many respects? Okay, you don't have to take our word for it any longer. Wait'll you hear this! There isn't one of you who doesn't know of the great work that Children's Television Workshop (Sesame Street and The Electric Company) has been doing in making youngsters more proficient in reading skills. Well, they've decided on a new project — the use of comic-books. And which company will they naturally work with? Aww, someone must have told you. Yep, even as you read these sententious sentences, the first fabulous issue of SPIDEY is being prepared, and will be on sale in a few short months. SPIDEY! It's a new kind of Spider-Man magazine, for the younger Marvelite, for your kid brother or sister — and it's a precedent-shattering co-production of mighty Marvel and CTW's Electric Company! But that's only half of it! You'll also be seeing your friendly neighborhood Spider-Man *live* on the Electric Company TV show all over the U.S.A.! Like we said, it's for the younger viewer, but it's Spidey in the flesh, and it's just the start of a whole new wave of Marvel excitement! Oh, and speaking of TV — I hope those of you in the Ohio area were able to catch the lively show aired over WBGU-TV and other stations on March 28th. Entitled "Comics: Birth of An American Art Form," it was produced by Bowling Green University's Department of Popular Culture and featured yours truly, in discussion and seminar. The theme dealt with comics as a legitimate intellectual activity, and my thanks to co-producer Mike Marsden and the rest of the gang for a job well done. so there you are — Marvel teamed with The Electric Company in a special project for the small fry — and Marvel covering the campuses like wildfire, bringing culture to academia! If there's any group we've missed, we'll grab 'em next time!

Excelsior!

Stan

And though Marvel's epoch-making team-up with the ever-lovin' Electric Company may be the icing on the cake for this month, we're not exactly standing still on other fronts, just the same! We've only got space to mention 'em briefly on this page, but various special ads and announcements scattered thru most of our mixed-up mags for the next few weeks will relate the full, unfettered facts on the following:

ITEM! Marvel is going Ape! For months now, there've been, whispers, rumors, and unsubstantiated reports, running rampant thru comics fandom. And, for once, the rumors turn out to be *right*: Debuting June 25th at your friendly neighborhood newsstand is a brand-new Marvel magazine, nothing less than — THE PLANET OF THE APES! That's right — one of the most popular movie series of all time, which has been shattering Neilsen ratings on the home-screen as well, will be lumbering your way six times a year, in a king-size new mag containing enough comics, photos, and features to drive the most avid Ape-lover up a tree in ecstasy! There'll be an action-packed retelling of the widely-heralded "Apes" films — articles on the stars, the makeup, and just about every other kind of behind-the-scenes activity — *plus* an all-new comic-strip sequel to the five fabulous flicks themselves, written by GERRY CONWAY and DOUG MOENCH, and drawn by MIKE PLOOG! This mind-bending mag costs a measly buck for 84 big pages — and is destined to set both film and comics buffs on their collective ear! That's PLANET OF THE APES #1 — to be unleashed on June 25th, wherever magazines are sold! Get it, gorillaphile!

ITEM! We're introducing still *another* 84-page epic to you this month, too — as Conan the Barbarian, fresh from his triumphant return in SAVAGE TALES, hurtles from the pages of that mag into a new $1 wonder titled — THE SAVAGE SWORD OF CONAN! Artwork by BUSCEMA, SMITH, MAROTO, and others — scripts by ROY THOMAS (with, admittedly, a modicum of assistance from one ROBERT E. HOWARD) — all slashing your way on June 18th, on those self-same overstocked newsstands! 'Nuff said, by Crom!

ITEM! And, on the full-color front, there are two new 50¢ phantasmagorias coming your way, to boot! First, and not to be confused with the $1 mag mentioned above, there's the GIANT-SIZE CONAN #1, as Roy teams up with GIL KANE and TOM SUTTON to produce some of the greatest Hyborian-Age hijinx ever — in living, lethal color! Secondly, there's the first issue of nothing less than — GIANT-SIZE MASTER OF KUNG FU! Shang-Chi, steel-smashing son of Fu Manchu, stars in a full-length all-new saga written by Doug Moench and drawn by one of fandom's newest delights, Peerless PAUL GULACY! Martial arts action — from cover to cover! More we gotta tell you?

AND, SPEAKING OF ITEMS: This *last* little tidbit isn't exactly chicken-fat, either! Yep, this is the month when the awesome, ultimate MARVEL VALUE STAMP will appear somewhere — sometime — in one (count 'em, one) of our colorful classics! Nope, we still won't tell you just which of our world-famous super-stars it features; we'll leave you the fun of finding that out for yourself, when you discover it starin' back at you from one of our liltin' letters pages! Don't miss it, though, 'cause it'll be featured once and once only all this year — and, next month (after a delay or twain), we'll be telling you a whole long list of *comic-book stores*, all across the land, where presenting your MARVEL VALUE STAMPBOOK chockful of all 100 Stamps will get you a galvanizin' FREE GIFT! We said it before, we'll say it again, and it's no hype: VALUE is Marvel's middle name!

Till next time, amigo — *peace!*

YOU'LL BE A MASTER OF SELF DEFENSE ONCE YOU'VE COMPLETED OUR REVOLUTIONARY NEW AUDIOVISUAL HOME STUDY COURSE IN DYNAMIC....

KUNG-FU & KARATE

YOU LEARN BY LOOKING AND LISTENING THE EASY WAY —FOR LESS THAN 16¢ A LESSON!

YOUR PHYSICAL SIZE AND AGE ARE UNIMPORTANT

It doesn't make any difference whether you are short, tall, skinny, fat or just plain average. We don't care if you've lost every fight you ever fought. We'll teach you how to defend yourself and those you love against one, two, or even three attackers with complete self confidence. By taking our revolutionary new audiovisual home study course in dynamic KUNG FU & KARATE **you'll be able to face ANY MAN, ANYWHERE** without the fear of being physically hurt or embarrassed.

WE'LL PROGRAM YOUR MIND TO MASTER ALMOST ANY SELF DEFENSE SITUATION

No rigorous or boring exercises are necessary. You learn in the comfort and privacy of your own home, either alone or with a friend, by looking and listening with our simple, effective audiovisual technique. You merely follow the pictures in our lesson book as you listen to each lesson on our SPECIAL LONG PLAYING 12" RECORD. What could be easier?

By playing this record over and over, the lessons become buried deep in your subconscious. Your mind is conditioned in the ancient Oriental disciplines of KUNG FU & KARATE—it develops a memory bank of specialized fighting knowledge. If you are attacked, you'll find yourself springing to action almost automatically, using this knowledge to defend yourself and those you love.

YOUR BODY BECOMES A POWERFUL WEAPON OF DEFENSE

We'll teach you how to use your hands, feet, arms, legs, elbows and knees as powerful weapons against any attacker. You'll learn the KUNG FU & KARATE techniques of the thrust punch, hammerfist, X & U punch, knife hand, spear hand, palm heel strike, snap kick, thrust kick, stamping kick, knee kick, elbow strike, backfirst, X block, sweeping block, high and low blocks, and much, much more. **You'll learn nerve centers and pressure points—where, when and how to hit effectively and avoid being hit yourself.** You'll learn all the essential secrets of these two Oriental fighting arts—ancient secrets that have allowed smaller, weaker men to defeat larger, more powerful men with ease.

A NEW, CONFIDENT YOU

Take this course and feel like a new person. Never be afraid to go anywhere ever again—ball game, beach, school yard, bar, dance, tough neighborhood, back alley or parking lot at night. Gain self confidence and win the respect and admiration of those you love. Your cool, confident steel-like gaze will show others you are no person to fool around with. Feel a new power come over you—the power to master almost any self defense situation!

HERE'S WHAT YOU GET:

Our long playing 12" 33⅓ RPM instruction record which contains 35 complete, separate and distinct lessons. It was specially produced to make the learning of the essential self defense techniques of KUNG FU & KARATE as inexpensive and easy as possible.

Complete picture lesson book containing over 135 photos and illustrations. While you are coached by the lesson record, each defensive movement is shown to you step-by-step by our instructor, TOYOTARO MIYAZAKI, BLACK BELT, 5TH DAN from the world famous KENKOJUKU DOJO in TOKYO, JAPAN.

Complete nerve center and pressure point chart showing all vital areas of defense.

HERE'S WHAT THE EXPERTS SAY ABOUT THIS COURSE:

"Next to taking lessons in a dojo, this home study course has to be the best way available for learning self-defense, Kung Fu and Karate."

R. Richards, Black Belt, 1st Dan

"At last! A home study course that is more than just a book or manual. This course is, without a doubt the easiest most effective home study program I have ever come across."

G. Aschkar, Black Belt, 1st Dan
